# Portable Stage System

Great for:  
Concerts - Fairs - Expos - Outdoor Events and Services

The Dawson County Economic Development Council is pleased to offer for lease to Glendive and other Eastern Montana communities a state-of-the-art portable stage system, manufactured by The Stage Depot. The Stage Depot stages are the stages of choice for Disney resorts, ESPN, The Academy of Country Music, the U.S. Department of Defense, Hilton Hotels, Harvard University, and many other major resorts, corporations and universities.

Our stage system is 20' x 16', weather-proof, all-terrain and height-adjustable. The stage panels and legs are conveniently stored in wheeled trolley carts and the entire stage system is conveniently housed in an enclosed 16-foot Big Horn trailer with loading ramp ready to tow<sup>1</sup> to your location.

Our stage system also includes:

- 8'x8' drum riser
- Guardrails along back and sides
- 2 sets of steps w/guardrails
- Black stage skirting for front and sides
- Leg extensions for height-adjustability from 24"-48"
- No tools required for assembly<sup>2</sup>

1      2 5/16" trailer hitch ball required for trailer. Trailer is 7,000 lbs. GVW

2      Excepting allen wrench for locking drum riser panels and 17 mm wrench for adjusting and locking step assemblies. Both included.

# Set up as easy as 1-2-3!

1.

*“My band did an outdoor show and we wanted a stage rather than a flat-bed trailer. I knew the DCEDC had just acquired a portable stage that we could rent. Dealing with the DCEDC was fast and easy, as was the stage set up and teardown. Lots of room and solid as a rock. Will be renting it again!”*

Jayson Eslick, drummer,  
Mighty Big Jim and the Tall Boys

Make a square with legs and side panels

2.

3.

Level and repeat

Place stage panel atop square

Stage assembles in 45 minutes or less.  
Disassembly takes half that time.  
Instruction manuals included.
